Immunization Requirements

- By law all students entering, attending or transferring to a public school in pre-kindergarten through 12th grade must have a completed Florida Certification of immunization Form 680, Part A, B or C, or a religious exemption DH 681 form. Forms may be printed on any color paper. Forms may be completed by the medical provider by hand or printed from the Florida State Online Tracking System (Florida SHOTS).
- Beginning with the 2017-2018 school year, students entering, attending, or transferring to the following grades for the first time (Pre-K, 10, 11, and 12 grades) in a Florida school will be required to have one (1) dose of varicella (chicken pox) vaccine.
- Beginning with the 2017-2018 school year, students entering, attending or transferring to Kindergarten, 1, 2, 3, 4, 5, 6, 7, 8 and 9th grades will be required to have two (2) doses of the varicella (chicken pox) vaccine.
- Students entering, attending, transferring, or being retained in the 7th grade will be required to be inoculated with the Tetanus and Diptheria toxoids and acellular pertussis (Tdap) vaccine.
- Two (2) valid doses of measles vaccination (MMR) are required for students enrolling in/attending Kindergarten through the 12th grades.
- The Hepatitis B (Hep-B) vaccine series is required for students enrolling in/attending Pre-Kindergarten through the 12th grades.
- In accordance with the Florida Plan for School Health Services, all Pre-Kindergarten through 12th grade students must submit documentation verifying that a student’s health examination was performed within the 12 month period preceding initial entry into a Florida school.
- A completed Student Health Examination (DH 3040) Form, including proof a Tuberculosis Clinical Screening and appropriate follow up if necessary, should be completed and signed by a licensed practicing health care provider, and presented to the school during initial registration.

All Immunization Documentation must be returned to Ms. A. Fernandez, Registrar.
